

PhD Grant in Climate-Economy Integrated Assessment Models

Institution: GIROAZ, Environmental and Resource Economics Research Group, University of the Basque Country (UPV/EHU), Bilbao, Spain.

Information: GIROAZ (www.giroaz.com) is a research group constituted by researchers from the Foundations of Economic Analysis I Department and the Institute for Public Economics at the University of the Basque Country (UPV/EHU) (<http://www.ehu.es/p200-shenhm/en>).

Giroaz opens a competitive call for applications to a 4-year doctoral grant. The grant is offered to develop the doctoral thesis in the Institute for Public Economics of the UPV/EHU in the framework of the UPV/EHU-BC3-Repsol Chair in Energy and Climate Economics (www.bc3research.org/Repsolchair/). Research will be conducted in close collaboration to both the Basque Centre for Climate Change (BC3) (<http://www.bc3research.org>) and the Pacific Northwest National Laboratory (PNNL) (<http://www.pnl.gov/>)

The grant targets holders of a Masters degree in Economics, Mathematics, Engineering, Physics or similar with a solid background in quantitative methods and programming.

The grant has an allowance of approximately 18.000 €/year.

Application requirements:

Applicants should send a cover letter, a detailed curriculum vitae and at least one letter of recommendation to PhDgrants@giroaz.com.

Application Deadline:

Applications should be received by 31st January, 2012.
