STRATEGIC PLANNING

We defined our roadmap:

Education is one of the main challenges of the European Union (2020).

A CEPA is a very valuable resource in the service of a society that has to base its future on overcoming educational gaps, adapting to the new circumstances.

A bet of change and shared enthusiasm towards job search and inclusion by the entire Educational Community

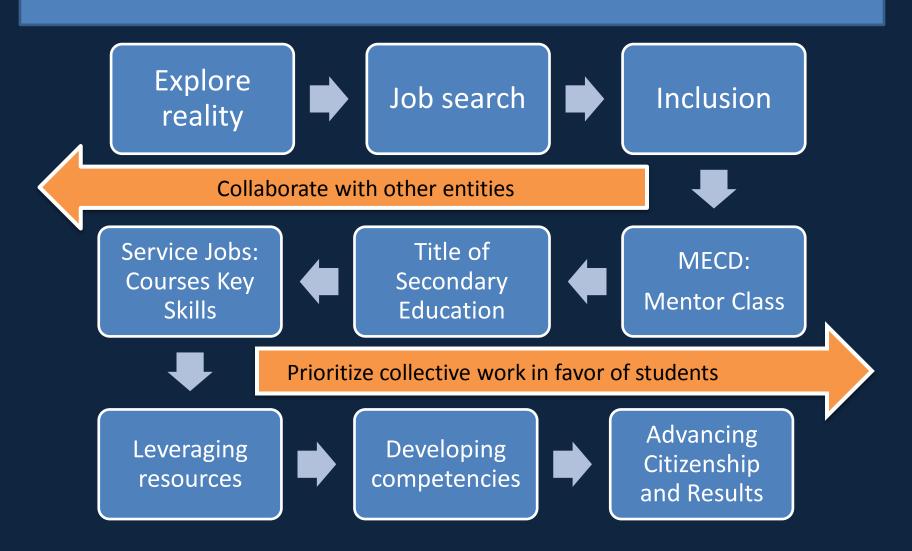

We optimize our training offer:

We train in collaboration with the Employment Service: Key Courses. Basic qualification in our country to enter the working world: ESPA / D. Mentor Classroom.

Where do we start?

WORKING WITH THE REALITY:

Initial Assessment to Students(VIA).

Guidance according to the profile and needs of the students.

Prioritize the insertion in the labour market

Evaluate results: Real and measurable impact on courses.

Educate in citizenship and improve academic results.

THE REASONS FOR OUR PROJECTS

- Strengthen measures of social inclusion, interculturality and attention to diversity.
- Innovation and collaboration activities in classrooms.
- Contact other centers to know other realities.
- It promotes the integral development of students.
- A commitment to school success, alleviating school failure.
