KEY COMPETENCES

WHAT ARE CERTIFICATES OF PROFESSIONALISM?

- A certificate of professionalism is document that **accredits** a worker in a **professional qualification** of the National Catalog of Professional Qualifications.
- They are issued by the **State Public Employment Service** or, as the case may be, by the **Regional Governments**, and are valid throughout the national territory.
- Having a certificate of professionalism means increasing the **professional curriculum**, because being an official document, is valued in any selection process.

KEY COMPETENCES

- To access the Certification of Professionalism training, it is necessary to have a required degree or accreditation.
- Two ways to obtain it:
 - Through **Free Trials or Examinations**. On two occasions each school year.
 - Through a **course** that includes general content in:
 - I. **Communication in Spanish language** .
 - II. **Mathematics**
 - III. **English language**.

TRAINING TO OBTAIN KEY COMPETENCES

The training in key competences aims to provide basic training to acquire these, and to be able to overcome the tests.

Concluyo diciendo, que ha sido un curso muy positivo, tanto a nivel de aprendizaje, como de compañerismo.
Se lo recomiendo a todas las personas que tengan tiempo, y ganas de aprender y avanzar en la vida.

SOME TESTIMONIALS FROM COURSE STUDENTS

DESTACO' LA CAPACIDAD DE SUS ALUMNOS Y EL ENTUSIASMO CON EL QUE HABIAN PARTICIPADO EN EL CURSO .
LOS ALUMNOS POR SU PARTE DESTACARON EL BUEN HACER DE LOS PROFESORES QUE EN TAN POCO TIEMPO " APEWAS CUATRO MESES" HABIAN CONSEGUIDO PREPARAR A UNOS ALUMNOS QUE EN ALCUNOS CASOS LLEVABAN MAS DE 20 AÑOS SIN ABRIR UN LIBRO.

I want to remark the abilities of the students and the enthusiasm in their participation in the course. All students agreed upon the good teaching. Teachers were able to teach in such a short period of time. And to get students ready, even though some of them haven't studied in 20 years

SOME TESTIMONIALS FROM COURSE STUDENTS

Since we are foreigners, it seemed difficult because of the lack of language skills. Teachers took this problem into consideration when they were teaching their lessons. They were encouraging each of us when we felt blocked or unable to do things

...mas cosas nos enseñaron
Aunque para nosotros que somos Extranjeras nos podría parecer algo difícil por el idioma, siempre lo tenían en cuenta en el momento de explicarnos las lecciones. Siempre daban ánimos a aquellas que se veían a veces bloqueadas o incapaces

SOME TESTIMONIALS FROM COURSE STUDENTS
