WHAT ARE CERTIFICATES OF PROFESSIONALISM?

- A certificate of professionalism is a document that **accredits** a worker in a **professional qualification** of the National Catalog of Professional Qualifications.
- They are issued by the **State Public Employment Service** or, as the case may be, by the **Regional Government**, and are valid throughout the national territory.
- Having a certificate of professionalism means increasing the **professional curriculum**, because being an official document, is valued in any selective process.

SOME TESTIMONIALS FROM STUDENTS IN KEY COMPETENCES CEPA COURSES

DESTACO LA CAPACIDAD DE SUS ALUMNOS Y EL ENTUSIASMO CON EL QUE HABIAN PARTICIPADO EN EL CURSO.
LOS ALUMNOS POR SU PARTE DESTACARON EL BUEN HACER DE LOS PROFESORES QUE EN TAN POCO TIEMPO "APENAS CUATRO MESES" HABIAN CONSEGUIDO PREPARAR A UNOS ALUMNOS QUE EN ALGUNOS CASOS LLEVABAN MAS DE 20 AÑOS SIN ABRIR UN LIBRO.

I want to remark the abilities of the students and the enthusiasm in their participation in the course. All students agreed upon the good teaching. Teachers were able to teach in such a short period of time. And to get students ready, even though some of them haven't studied in 20 years

SOME TESTIMONIALS FROM STUDENTS IN KEY COMPETENCES CEPA COURSES

Since we are foreigners, it seemed difficult because of the lack of language skills. Teachers took this problem into consideration when they were teaching their lessons. They were encouraging each of us when we felt blocked or unable to do things

...nos enseñar nos...
Aunque para nosotros que somos Extranjeras nos podía parecer algo difícil por el idioma, siempre lo tenían en cuenta en el momento de explicarnos las lecciones. Siempre daban ánimos a aquellas que se veían a veces bloqueados o incapaces.
